

## TURNER COUNTY SCHOOL SYSTEM CHILD FIND

Do you know a child with a disability who is not being served?

### CHILD FIND NOTICE

In accordance with IDEA regulations, the Turner County School System seeks to ensure that all students with disabilities (ages 3-21) who are in need of special education within its jurisdiction are identified and evaluated, including those attending private school and home school. Final identification of students with disabilities and programming for such students occurs only after an appropriate evaluation and a determination by a placement team. Once it is determined a student is in need of special education services, they may receive these services.
